

# QUEENSLAND BREED SHOW 2016

The 25th Qld Breed Show saw 18 Studs Parade 75 head of outstanding Dexters. Thank you to all exhibitors, without you and your efforts there would be no breed show.

A second big shout out of thanks has to go to the Queensland Coordinating Committee members who worked extremely hard this year to get this historic event happening.

How rewarding it was to have our VIP guests there, not only for the luncheon, but they all so proudly presented ribbons when asked, I have a fabulous photo of Colin Carbery having a lovely chat with a handler while presenting a 3rd place ribbon to a young heifer. Luella Wehl! where are those photos, of the luncheon?

Lots of tales were told around the luncheon table. Colin Carbery thanked the current committee for the Luncheon.

Serena Garland was a lifesaver by agreeing to officiate as Chief Steward at the last minute. Even though she claimed she wasn't familiar with that side of showing she did a fabulous job and helped calm a lot of younger handlers' nerves. One benefit of being on the end of the rope for many years. Thank you Serena!

Complements to our Judge Mr. Ian Brown. Ian's judging was very decisive and consistent. It has been a long time since we have had a judging day with no complaints.

Once again we were lucky with the weather.

Everyone enjoyed the lovely rain free days even if the nights were freezing. I think most campers slept in their clothes, I know the Cranbrook/Margrita crowd did.

Congratulations to all exhibitors and both Goebels and Nuttridges with their Grand Champion winners.

Exhibit 1001, Kerridale Zigfreid at just 8 months of age, went from the youngest bull to the Grand Champion Bull and Exhibit.

2001, Silver Fern Miss Loopy Grand Champion Female was only a youngster at 16 months of age. Silver Fern Miss Loopy went on to win Supreme Dexter 2016.

How rewarding it was for our breed. To see two such young animals sashed as Grand Champions and then competing against each other for Queensland Supreme Dexter was wonderful.

Everyone agreed if these two animals are any indication of where Dexters are going then our breed is on a win. Both were outstanding examples of our Breed. Again Congratulations Troy and Tracey of Silver Fern and Dave and Sue of Kerridale.

Once again Ian Manly kept everyone informed of placing and breed history. Thank you Ian, we are going to have a huge job to replace you in 2017.

I received the a terrific selection photos from Denise Hansen of Misty Hollow Stud. I am still amazed at how she managed to get

so many great photos and still prepare and lead her animals in the show ring on time. Thank you Denise for catching so many of our great moments on camera so we can share them with everyone.

Every year there is someone or something that makes the day memorable to so many. This year Robert Nuttridge, Troy and Tracey's young son joined the ranks of the Junior Cattle Handlers of the Queensland Breed Show. Robert stole the hearts of many as he held his heifers head high as his little arms would allow him while calling to the judge in front of him "I'm coming, I'm coming" in obvious frustration because his little legs just couldn't keep up.

Along with the two champions, I have chosen Robert with his animal, ribbon and medallion as the photos for the Bulletin and News Letter.

Again we had NSW breeders make the trek up to Nanango to give Qld Breeders a run for their money. We really appreciate your efforts and enjoy your companionship. Hoping you are able to join us again next year, once the final decision is made on venue and date.

Well done everyone on helping to make the 25th Queensland Breed Show such an enjoyable success.
