# DCAI PRICE SCHEDULE INFORMATION

Correct as at January 1st 2026

## **Parent Verification DNA Testing**

Animals must be parent verified by DNA testing before being accepted for registration in the DCAI Herdbook.

## **Animal Transfer of Registration**

Please ensure the reverse side of the Registration Certificate is completed. The VENDOR is responsible for the payment of transfer fees.

## **Bull Accreditation for AI**

In order for the progeny of a registered Dexter bull used for AI where the bull does not belong to the member into whose herd the progeny are to be registered, or where the Member has not secured the bull under a lease agreement, to be eligible for registration into the herd of any member the bull must first have been accredited as an AI Sire.

## **Registration Refusal**

If registration or transfer is refused for any reason, 50% of the fee paid will be credited to the members account. The balance will be retained to cover administrative fees.

## **Replacement Certificates**

Lost or damaged registration certificates can be replaced at a cost of \$22 per certificate.

## **Change of Stud Name**

This applies only to cases where a member has changed the name of their stud (Herd Prefix) and is transferring the registrations of animals they already own to the new Herd Prefix.

## **Purchase or Aquisition of an Existing Stud with its Name (Stud Prefix)**

In the case where a Dexter Cattle Stud is acquired along with the stud name (Herd Prefix) the normal transfer fee per animal is applicable. In such cases, a new herd number is allocated to the Stud Name or Prefix.

## **Transfer of Animals Between Two Studs Owned By The Same Entity or Person/s**

The transfer of animals between two studs owned by the same person, persons or entity attract the same transfer fee as any other animal transfer.
